

59th 3i Show

Western Kansas Manufacturers Association (WKMA), sponsor of the annual 3i Show, is gearing up for the 59th annual 3i Show. The show will be held in Dodge City at the Western State Bank Expo Center on July 11, 12 and 13, 2013, from 8 a.m. to 5 p.m. Thursday and Friday, and 8 a.m. to 4 p.m. on Saturday.

The annual 3i Show is an agricultural showcase which draws thousands of crop and livestock producers from across the High Plains. The 2013 3i event will once again feature the latest in irrigation, implements and industrial

equipment, product advancements and innovations, agricultural health, and safety programs. In addition, the show will feature several other special events including a pickup truck ride & drive area, and a tractor/GPS demonstration area, as well as an antique tractor display, American Truck Historical Society display, and Vintage Saturday.

The 59th edition of 3i Show will also feature a special exhibit area for the Oil and Gas industry this year. Several oil and gas companies have expressed an interest in exhibiting at the 3i Show and, as a result, will give these companies the opportunity to meet with many landowners and producers.

More than 500 exhibitors representing over 900 companies from 260 cities in 31 states and Canada attend the 3i Show each year, displaying all types of agricultural equipment and services, and providing information

to assist producers with their farm and ranch buying decisions. Exhibit space is now open to new exhibitors as well as prior exhibitors.

WKMA is a charter member of the Farm Show Council, a nonprofit organization founded in 1972 dedicated to the continued improvement of farm shows. Celebrating its 59th year, the 3i Show is one of the most successful in North America.
