

Great Bend Farm & Ranch Expo

The 2013 Great Bend Farm & Ranch Expo will be held Wednesday through Friday, April 10, 11 & 12, 2013 in Great Bend, KS. The show is located at the Expo Complex west of town, and show hours are 9 a.m. - 5 p.m. on the 10th & 11th and 9 a.m. - 4 p.m. on the 12th.

With over 700 booths filled with exhibitors from 27 States, Canada and Australia, the Great Bend Farm and Ranch Expo spans over 80 acres. This is one of the largest farm shows in the region. Featuring many exciting exhibits, activities, with K-State women's seminars also are planned this year. The women's seminars will be held at 10 a.m. and 2 p.m. each day.

"Entertainment to the Max" will see Max Reynolds at the show performing rope and bull whip tricks. We are thrilled to present Max at the 2013 Great Bend Farm and Ranch Expo!

Genex Cooperative, Inc. will demonstrate chute-side service using portable breeding barns, April 11 at the Expo. Chute-side service is a convenient and cost effective tool for large operations to improve their genetics and profitability through artificial insemination (A.I.). Chute-side service includes synchronization and technician insemination, providing ranchers with access to the industry's most sought after genetics.

Another exciting component of the Expo will be the sprayer demonstrations. This year we are adding combine demonstrations to that. The demonstrations will be held daily at 1 p.m. at the south-east corner of the South runway. The sprayers and combines will perform and

demonstrate how each machine works, including application techniques in a live demo situation. Seating and audio will be provided. This event is brought to you by American State Bank.

This year will feature a refreshment tent at the end of the south runway where attendees can sit down and rest for awhile, grab a bite to eat and a beverage. While there they can listen to the classic sounds of old-time truck drivin' music with a modern flair by Jimbo Darville & the Truckadours.

The Great Bend Farm & Ranch Expo is a proud member of the Great Bend Chamber of Commerce. The Expo is brought to you by these fine sponsors, KSN, and The American Hat Company.

The T-L Difference. Compare.

Their Warranty: 6,000 hours
T-L Warranty: 24,000 hours - Guaranteed Performance!

T-L Proven Technology — That Works!

Gear box performance is the key to long irrigation system life. T-L now guarantees worm gear drives for 8 years/16,000 hours and planetary drives for 8 years/24,000 hours! Two and three times as many hours as electrically driven systems! As a T-L system owner, you will be backed by the premiere warranty available in the pivot irrigation industry. T-L is Easier on You — For a Lifetime. See your local T-L dealer, contact us at 800-330-4264 or visit our web site at www.tlirr.com.
