ABOUT OUR COVER: Since 1936 Winter Livestock customers have sold over 33 million cattle through their Winter Livestock sale barn auctions, with a total cattle value of over 8 billion dollars, making Winter Livestock Inc. America’s largest independent cattle auction company. It is also one of the oldest. To learn more about Winter Livestock, Inc. and the three generations of this dedicated family read “Winter’s Way” in this issue. (We want to thank the Winter family for loaning us their early photos, and also Dave Webb at the Dodge City Heritage Center for searching out and copying our cover photo. Barbara Oringderff, Editor/Publisher.)
